

# Weldlok® OnGuard

PERFORMANCE BACKING WITH MOISTURE BARRIER

OnGuard is a revolutionary moisture barrier that enhances Mohawk's Weldlok backing system with an integrated layer that prevents moisture from getting beneath the carpet backing. This advanced moisture barrier passes both the British Spill test along with 10,000 impact test. When installed using Mohawk Group's Nubroadlok® Premium Multi-Purpose Adhesive and LifeLoc® Seam Sealer Weldlok OnGuard forms a fortified barrier to safeguard from spills.

## PERFORMANCE

- Moisture barrier backing lowers costs by preventing spills from penetrating the carpet backing and limiting the possibility of wicking
- Less dry time for quicker occupancy after cleaning
- OnGuard system has a soft felt integrated bottom layer to provide comfort underfoot along with preventing scratching on walls during installation
- Lightweight for lower transportation costs and ease of handling
- Carries Limited Lifetime Weldlok Warranty
- Passes British Spill test
- Passes 10,000 impact testing

## SUSTAINABILITY

- Certified low VOC's under CRI Green Label Plus Program
- May contribute to or comply with LEED v4, Living Building Challenge, and the WELL Building Standard
- Declare Label Red List Free

## SERVICE

- Products available through Quickship offering (up to 2,000 square yards within 10 business days)
- 133 SY minimum (100 linear ft.)

## INSTALLATION

- For use with direct glue or stretch in installations; stretch in installations do not have moisture barrier at tack strips
- 12' wide system offers half the seams of some competitive products while maintaining a solvent-free watertight seam
